AMERICAN BRIGHT OPTOELECTRONICS CORPORATION

Manufacturer of surface mount LED's, LED lamps, displays, IR/PT, PLCC, and LED lighting (ISO 9002, QS 9000)

ARIES ELECTRONICS INC.

Manufacturer of over 200 interconnect products and Correct-A-Chip technology

CAMBION

Manufacturer of high performance electro-mechanical and inductive components including miniature sockets, connector pins, solder terminals, spacers, RF products, and inductors (ISO 9001)

CINCON ELECTRONICS

Manufacturer of switch mode power conversion products including DC/DC converters, AC adapters medical and commercial, and open frame power supplies (ISO 9000, ISO 14001)

COTO TECHNOLOGY

Market leader in production, quality, and design innovation of reed relays and dry reed switches (ISO 9000, ISO 14001)

CW INDUSTRIES

Manufacturer of rocker switches, slide switches, push button switches, high current slide switches and connectors (MIL standards, ISO 9001:2000)

EIS WIRE & CABLE

Engineering expertise and manufacturing excellence in wire and cable since 1910. Hook up wire, computer/data cable, audio & broadcast cable, security, control & alarm cable, IMSA cable, power limited tray cable, and air plenum cable (Custom engineering, ISO 9001:2000, UL, CSA Standards)

ELECTRONIC HARDWARE CORPORATION

EHC, with over 45 years of manufacturing experience, provides a range of services from initial development to final finishing for quality hardware components (ISO 9001:2000)

INTEGRA ENCLOSURES

Manufacturer of NEMA non-metallic enclosures used to protect electrical devices in a broad range of industries. Integra Enclosures has received ATEX certification.

KYCON INC.

A high quality manufacturer of connectors including D-subminiature, power, modular, stereo jacks, DINs, and mini-DINs and sockets (ISO 9001)

MERITEK USA

Manufacturers of high quality varistors, temperature sensors and assemblies, polymer PTC's, gas tube surge arrestors, capacitors, and resistors. Meritek components are suitable for use in all electronic design applications (ISO 9000)

POWERSTAX

Manufacturers of high power density AC/DC bulk power supplies and DC/DC converters (ISO 9001)

PRECISION DEVICES INC. (PDI)

A global leader in the frequency control industry, PDI has a wide variety of products for all your design requirements. PDI devices include crystals, filters, and oscillators (ISO 9001, ISO 14001:1996, MIL-PRF-3098, MIL-PRF-790)

QUALTEK ELECTRONICS CORPORATION

A world leader in fan accessories, heat shrinkable tubing, primary power components (AC receptacles, circuit breakers and switches), EMI power line filters, international and domestic power cords, and cable assemblies (ISO 9001:2000)

SICON INTERNATIONAL, INC.

A San Jose, California company specializing in offshore electromechanical assembly to ensure you the best combination of service, value, and quality. Advanced technologies, cost-reduction solutions and attention to time-critical new product introduction schedules give our customers a competitive edge.

WIELAND ELECTRIC INC.

Manufacturer of PCB and wire-end terminal blocks (ISO 9001)

XYMOX TECHNOLOGIES, INC.

Manufacturer of custom membrane switches and membrane-switch products for industrial, commercial, medical, appliance, and consumer products (ISO 9001:2000)

FJM Inc.

Providing High Quality, Leading Edge Service and Products

Since 1992

***“ASK ABOUT OUR EXCELLENT DESIGN
AND MANUFACTURING SERVICES”***
